

Watch me to see if I am happy or sad

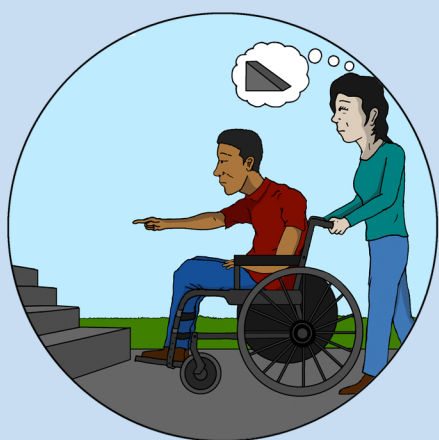

Stand or sit with me - do not stand over me

Support me when I need it and do not be bossy

Look at me when you talk to me

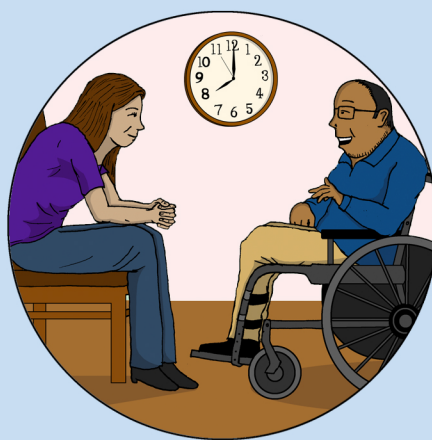

Think about the way you support me and learn from it

Learn how I like to communicate

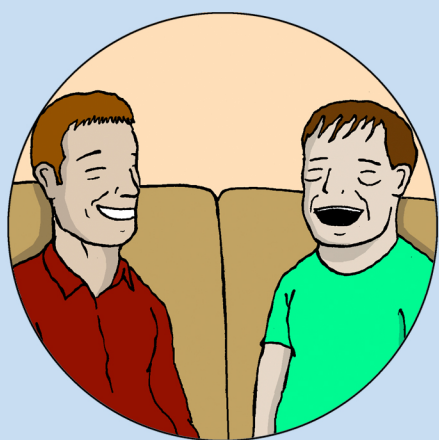

Be fun and try new things

Stop and make time to listen to me

You need to know how I feel about touch

Be friendly and be happy

It ain't what you do it's the way that you do it!
