

# Health Screening Checklist

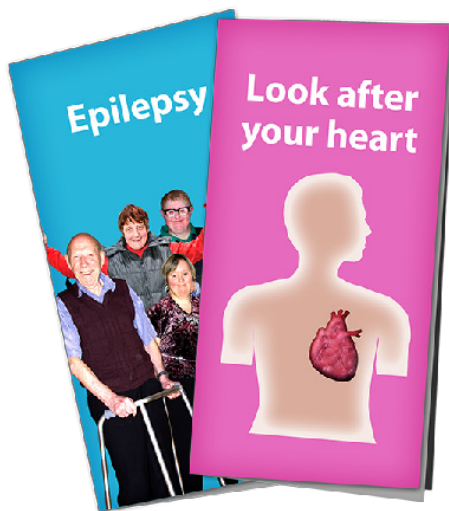

Did you know that the following Health Screenings are available for the people you support?

Cervical Screening (females every 3 years aged 25-49; every 5 years aged 50-64)

Breast Screening (every 3 years for females aged 47-73)

Bowel Screening (males and females; every 2 years aged 60 -74)

Dental Screening (as directed by a dentist)

Annual Health Check (aged 14+)

NHS Abdominal Aortic Aneurysm (males aged 65+)

Auditory Check (as directed)

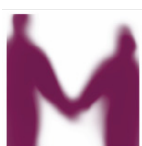

Podiatry Check (as directed)

Eye Testing (every 2 years or as directed by an optician)

Prostate Cancer Risk Management (males aged 50+)

What should you do next? Contact your local GP to make sure the people you support are on the recall list.

NHS Healthcheck (aged 40 -74)
