Meet the Manager

"Hi, I'm April, and welcome to 4, The Grove, which is where MacIntyre was first founded! I've been with MacIntyre for over 10 years when I first started as a support worker in Flitwick, but my first experience with MacIntyre was when I was at school! I did some work experience with the Lifelong Learning team in Amphill and absolutely loved it!

At 4 The Grove, people are at the heart of everything we do, and it is incredibly rewarding supporting people to live the lives they want to. It's taken us all on some amazing adventures together – like Disneyland Paris.

We build genuine close-knit relationships and connections with the people we support as we become an extended part of each other's families."

“People told us that the home was well managed, they knew the registered manager by name and felt that they were approachable with any problems and staff were familiar with people's needs, personal circumstances, goals and family relationships.”
