Meet the Manager

"Hi my name is Bev, and welcome to Glenview. I have been working for MacIntyre for over 20 years and as a team, we take pride in supporting people to live a life that makes sense to them.

Every day is different at Glenview, and we're always open to what people want to do - whether that's swimming, going on some amazing walks round the beautiful countryside here, going to 'Yam Jam' sessions or even keeping chickens!

Glenview really feels like a we have become an extended part of each other's family, we spend time getting to know each person and have formed some really close relationships. We've been so lucky to go on some amazing adventures together, including going on holiday - from Wales, Cornwall, even to France and Portugal!"
